THE END.

The Penny Postman silhouette, shown on the front cover, was a real world colorful figure by the name of **Wm. B. Winne**. **Wm. B.** was a penny postman, letter carrier or post office messenger at Albany, New York, from 1795 to 1843, a period of 48 years. That he was a colorful local figure there is no doubt! He was most famous for his exploit as captor of a robber in a famous chase through Albany County in January 1808, while a captain of the watch.
